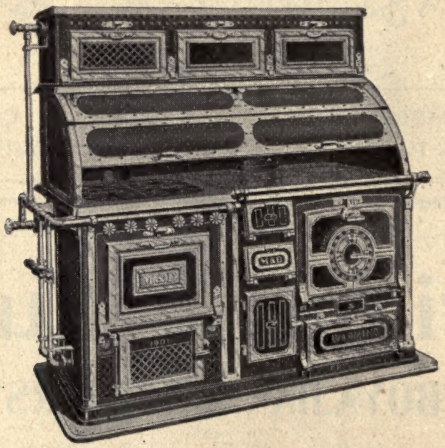
Combination Ranges

THREE SIZES

The Original and Best Combination Range

Ten times as many in use as all other makes combined. *Over four thousand* in use in Chicago and vicinity. We guarantee the M & D Combination Range to *bake quicker and better* and to save from 25 to 50 per cent in fuel over any other range made.



The Gas Section of the M & D Combination Range has the *quickest baking oven* in the world, with two separate burners. After the oven is sufficiently heated by the two burners, one can be turned off and the baking can be done by the one burner, economically. We manufacture our Combination Range with or without Ventilated Roll Curtain or Canopy. Either Section works independently of the other, and they are perfect in their operations when used together.

PREFACE.

THE Sixteenth issue of the CHICAGO BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly, and in this way we hope to make the CHICAGO BLUE BOOK as nearly perfect as it is possible to make such a volume.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in the Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches, etc. We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations which we have not already incorporated in our volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of about twenty-four thousand names of the most prominent householders of Chicago and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

The title, "BLUE BOOK," is given the work because of its *blue* cover It does not refer to blue blood, as many people suppose. Webster's

9999

definition of Blue Book is as follows: "BLUE BOOK—A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

The data for this work have not been compiled from circulars or from other Directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our annual canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us each year the information they wish inserted, in order that the work may possess that accuracy and completeness we have taken so much pain to secure.

NERVO-PATHY

Develops any part of the body, gives strength to the nerves, makes your sleep restful, makes the dyspeptic joyful, gives beauty of form and complexion, reducing those who are too fat and building flesh upon the skeleton; saves you from the operating table and possibly death, sending pure, rich blood, through the body, giving you vim and vigor; in fact, restoring you to normal health and weight, giving you physical and mental power over others. Stop drugging and investigate this before too late. Come and see me. Consultation is free. Lady in attendance for lady patients.

THE LEONA SKIRT-DRAWERS

(Patented)

Comprises both skirt and drawers and is cut so it fits perfectly smooth around the waist and hips. There are no gathers, no yoke, not even a band to add to the waist dimensions. An especial boon to the stout woman. We make the garment with corset cover attached, making the three in one, and also make corset covers and petticoats to order.

All letters must be prepaid by stamps affixed.

Letters should bear on the address side of the envelope, in the upper left-hand corner, the name and full address of the sender.

Letters with return cards when unclaimed by the addressee, are returned at the end of thirty days unless otherwise specially requested.

To secure the forwarding or return of second, third or fourth class matter, postage anew must be prepaid.

Mail Matter of the Second Class.

This class embraces newspapers and other periodical publications, issued not less than four times a year, from a known office of publication, and bearing a date of issue, and which have no cloth, leather, or other substantial binding. Such publications must have a legitimate list of subscribers and must not be designed primarily for advertising purposes or for free circulation. The rate of postage on second-class matter when sent from the office of publication (including sample copies), or when sent from a news agent to actual subscribers or to other news agents, is one cent per pound or fraction thereof; but if sent by any other than the publisher or a news agent is one cent for each four ounces or fraction thereof.

All publications issued less frequently than once a week, for delivery in Chicago by its carriers, must be stamped, the rate being one cent if not over two ounces, and two cents if over two ounces. If issued more frequently than once a week the postage for city delivery is one cent each. On weeklies, for delivery in or out of the city, one cent a pound.

Mail Matter of the Third Class.

This class embraces transient newspapers and periodicals, books (printed), photographs, circulars, proof sheets and corrected proof sheets with manuscript copy accompanying the same, and all matter of the same general character, as above enumerated. The rate of postage is one cent for each two ounces or fractional part thereof. Limit of weight, 4 lbs., except single books weighing in excess of that amount.

Mail Matter of the Fourth Class.

This class embraces labels, patterns, playing cards, visiting cards, address tags, paper sacks, wrapping paper and blotting pads, with or without printed advertisements thereon, bill heads, letter heads, envelopes with printed addresses thereon, ornamented paper, and all other matter of the same general character. It also includes merchandise, and samples of merchandise, models, samples of ores, metals, minerals, seeds, etc., and any other matter not included in the first, second, or third classes, and which is not in its form of nature liable to damage the contents of the mail bag, or harm the person. Postage rate thereon, one cent for each ounce or fractional part thereof. Limit of weight, 4 lbs.

Payment of Postage without Stamps.

Upon application to the Post Office there will be issued a permit to mail third or fourth class matter without postage stamps affixed, on prepayment of the lawful postage rate in money. Matter mailed under the authority thus granted must consist of separately addressed pieces, wrapped or enveloped so as to be easy of inspection, and for delivery within the United States or its possessions. Upon the face or address side of the envelope, wrapper, address label, or tag of each piece there must appear in the upper left hand corner the name and address of the sender, the name of the post office, and in the upper right hand

corner the class of matter, the amount of postage paid on the piece, and the words "Paid in Money," and the permit number. Matter to be mailed without stamps affixed must be presented at the Post Office, faced with the address sides all the same way, and tied into bundles, in order that it may be counted both quickly and accurately.

When such matter is presented for mailing, a statement of mailing must be made out by the sender upon a blank form provided by the Post Office, setting forth the number of identical pieces of matter to be mailed, the class of such matter, and the exact weight of each piece. This statement shall be duly dated and signed, and shall bear the permit number. The statement will then be presented upon each mailing at the office of the Cashier, together with the amount of money necessary to prepay the postage. The office of the Cashier will be kept open (daily except Sunday) from 9 a.m. to 8 p.m., for the accommodation of persons and firms desiring to mail matter under these rules.

Post Cards.

Cards must not exceed in size $3\frac{9}{16}$ by $5\frac{9}{16}$ inches or be less than $2\frac{1}{8}$ by $4\frac{1}{4}$ inches.

The quality of the cards must be substantially that of the Government postal cards, and weigh about 6 pounds 3 ounces to the thousand.

The cards may be of any color.

The cards must bear these words at the top of the address side: "Post Card in Print or Writing." When prepared by printers or stationers for sale, they should also bear in the upper right-hand corner of the address side an oblong diagram with the words, "Place the postage stamp here."

The postage rate applicable to cards for the United States, Canada and Mexico is one cent. For other countries the rate is two cents

The face of the card is reserved for postage stamps, post-marks, and the address, which may be in writing, printing, by means of a stamp, or by an adhesive label of not more than three-fourths of an inch by two inches in size. The sender may in the same manner indicate his name and address on the face or back of the card; and engravings and advertisements may be printed on the front if they do not interfere with a perfectly distinct address.

The message on the cards may be either in writing or print; and there may also appear on the message side advertisements, illustrations, or other matter printed either in black or in colors.

There must be attached to every card mailed an adhesive postage stamp of the proper value.

When the payee or remitter of a money order collects it in person at the post office, or station, or when he deposits it in a bank for collection, he should sign it on the face at the place provided for receipt and not on the back. When, however, he transfers the order to other than a bank he should sign the form of indorsement on the back. More than one indorsement is prohibited by law, the purpose being to restrict the use of money orders to remittances, but the collection stamps of banks are not construed as additional indorsements.

"El Tovar," Grand Canyon, Arizona

To see how the world was made Visit the Grand Canyon of Arizona

Down deep in the earth a mile and more you go, past strata of every known geologic age. And all glorified by a rainbow beauty of color.

Pedro del Tovar, a Spanish conquistador who came to Arizona with Coronado in 1540, assisted in the discovery of this world-wonder. To-day a quarter-of-a-million-dollar hotel, El Tovar, commemorates his name.

El Tovar is located near the head of Bright Angel Trail, at the railway terminus, on the brink of the canyon. Ready for occupancy early in January, 1905. Under the management of Mr. Fred Harvey.

El Tovar solves the problem of high-class accommodations for the traveler who wishes to visit the Grand Canyon as a side trip on the California tour. Only three hours by rail from the main line of the Santa Fe.

For over half a century this wonderful water has been subjected to every conceivable test, only to emerge each time with new honors and added friends. The following testimony is from one of the most celebrated physicians of Evanston, Ill.:

EVANSTON, ILL., April 7, 1902.

Almost every physician knows the value of Poland Water in Kidney Stone. I have used it for Gall Stones for twenty-five years, with a cure in every case without exception. I have my patients drink very freely of Poland Water, even make their tea and coffee with it. I generally prescribe ten gallons and have them drink it until it is gone, although after using it for two or three days complete relief is felt.
